Honorable Judge Gujarati

This is my second request to have Mr Kevin Johnson removed as my council.
Mr Johnson has been difficult to reach and communicate with in the past and he is billing me for services i did not rquest.
Furthermore during the initial stage of the lawsuit he was not reachable for over 6 weeks.
He is never available for a phone call or a meeting.
Mr Kevin Johnson is not working in my best interest.
I am kindly requesting a 90 days stay or extension in the case until i find counsel.

An additional request i have is to postpone the January 8, 2023 conference. Due to a spinal injury rehab that i am doing abroad that week.

Sincerely,

Slobodan Radivojevic
